

FALL STORY

Autumn is also called fall.

It starts on September 22nd
and ends on December 21st.

Fall is one of
four seasons.

The sun rises later
in the morning.
The sun sets
earlier at night.

During fall, you can go apple picking
or pumpkin picking.
The leaves turn from
green to red, orange,
and yellow. Then they
fall off the trees.

During fall you can wear pants, jeans, sweatshirts,
long sleeves, and sweaters. You might wear sneakers
or boots. On cold days you might need a hat or gloves.
