My Dentist Visit

I will walk into the dentist's office and sit in the waiting room.

When it's my turn, the dentist or hygienist will call my name and say hello.

I will sit in a big chair that goes up and down. It's fun!

The dentist will turn on a bright light to see my teeth.

The dentist will look at my teeth with a little mirror.

The dentist will brush my teeth with a special toothbrush that spins.
