Proud Moments ABA

I am riding the bus!

I can ride the bus safely and have a great day!

I am going to ride the bus! The bus will take me to school and back home safely.

I will wait for the bus in a safe spot. I stay behind the line and wait my turn.

I will use safe hands and feet to get on the bus.

I will find a seat, sit facing forward, and keep my seatbelt on.

I will use a quiet voice on the bus. I can look out the window, read, or rest.

I keep my hands and feet to myself. This helps keep everyone safe and happy.

If I need help, I can raise my hand and talk to the driver.

When my stop is next, the driver will let me know. I will use safe hands and feet to get off the bus.

I will walk away from the bus and stay in a safe place.

Ride is done! I had a great bus ride and can't wait to do it again tomorrow!
